

Adjusts to your needs

- YouTrack has the flexibility to adapt to every team and team member. From personal tasks to company-wide projects, YouTrack can handle it all with ease and elegance.
- Workspace options for technical and non-technical teams make YouTrack easy to deploy across an entire organization.

Easily migrate to YouTrack and get 25% off

- 1 Choose between the Cloud or Server version. We recommend starting with YouTrack Cloud. Your team can migrate to YouTrack Server at any time.
- 2 Import projects and documents from Jira and Confluence with an easy-to-use wizard. Import options from other tools are also available.
- 3 Get a 25% competitive discount for any number of YouTrack users by providing a receipt for your Jira or Confluence license certificate.

Use YouTrack Helpdesk

- Organize your support or service desk processes with YouTrack helpdesk projects and save your team the time and effort of switching context between projects.
- YouTrack Helpdesk is free for a team of 3 support agents and unlimited reporters, forever.

Priced right. Cloud or Server – your choice!

	1-10 users	11+ users
Cloud	Free Fully-featured solution for small teams	\$4.40 user per month, less for larger teams
Server		from \$600 for 15 users
For open source projects For students and educators		Free
For startup companies		50% off

What our customers say

Tom Kirstein

Managing Partner,
Mind Over Data

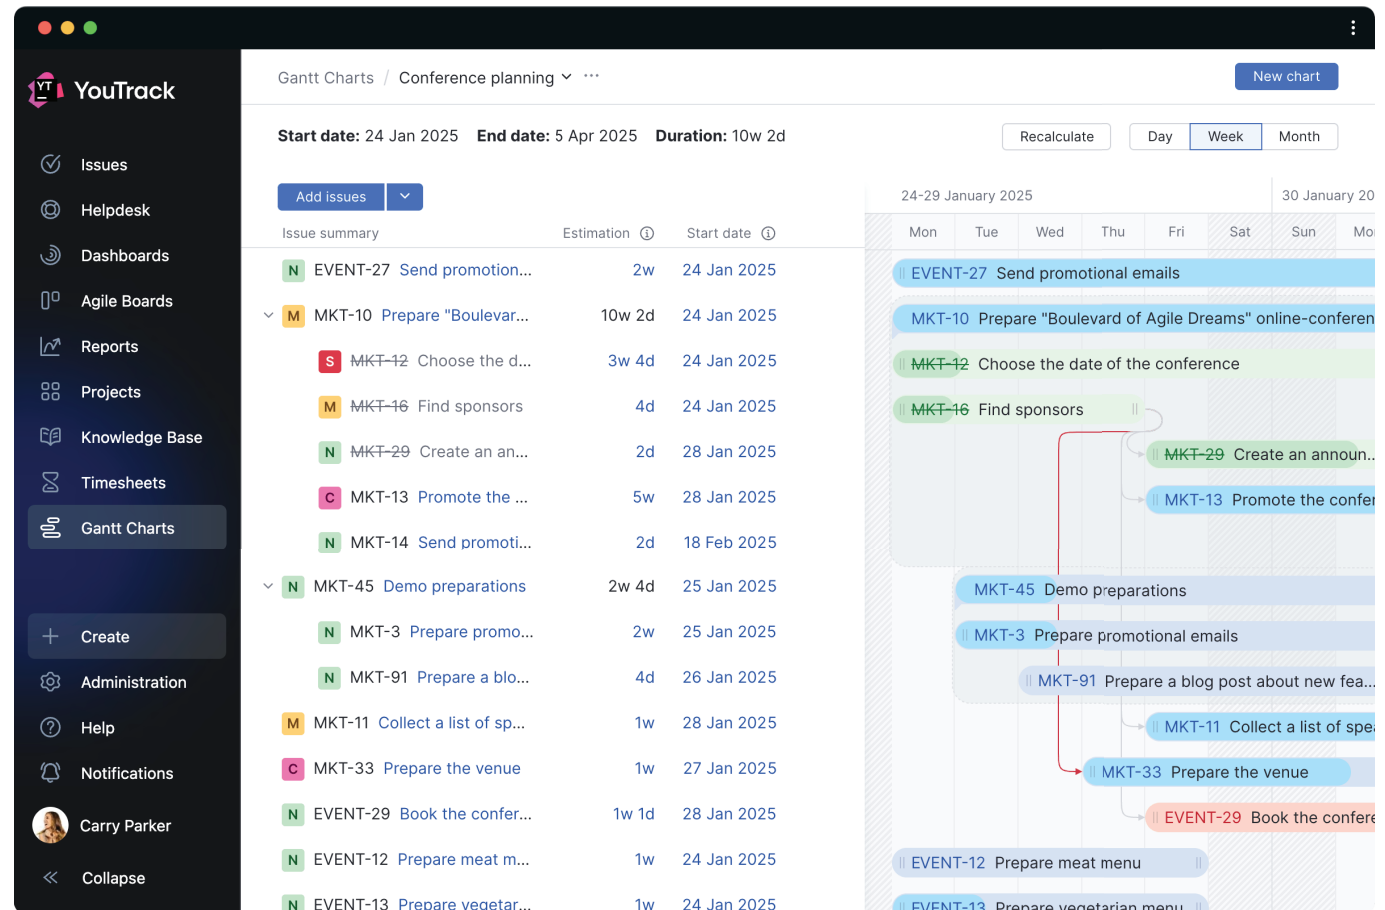

YouTrack by JetBrains is amazing. Moved to it from Confluence and its sister programs 3 years ago.

Michael Hedgpeth

NCR

YouTrack puts users first, makes common workflows easy, and is a pleasure to use. If you want to simply get things done, go with YouTrack.

Industry recognition
